Subject: Opposed to Proposed Settlement

Dear Sir or Ma'am;

I do not support Microsoft's proposed settlement because I do not think it provides sufficient punishment to balance Microsoft's offenses, nor sufficient incentive to prevent them from doing the same in the future. Furthermore, the idea of punishing an abusive monopoly by requiring them to extend their monopoly into the US educational system is incomprehensible.

Much has been said of finding a win/win solution. This ignores the fact that Microsoft broke the law and is supposed to be punished. They are not supposed to win.

Thank you for your consideration.
